

2009 Sustaining Life Member Program

OVERWHELMING SUPPORT

Sustaining Life Member Program Achieves 187 Percent of Goal in Inaugural Year

Economically speaking, the 2008-09 academic year was a challenging time to launch the Penn State Alumni Association's Sustaining Life Member Program. But life members answered the call with an overwhelming response! Nearly 2,000 life members, their partners, and other organizations gifted \$168,017, far surpassing the program's \$90,000 goal. Their generous gifts are enabling the Alumni Association to sustain high-quality programs in support of our alumni and alma mater, making all of us Penn State proud.

The Penn State Alumni Association would like to thank the following Penn Staters for making the 2009 Sustaining Life Member Program* a roaring success!
