

2010 Sustaining Life Member Program

We thank these life members who made Sustaining Life gifts to the Penn State Alumni Association during the 2009–10 academic year.

The Sustaining Life Member Program, launched nearly two years ago, is a voluntary, annual giving program for life members of the Alumni Association. Since then, more than \$400,000 in annual support has been given to sustain our high-quality programs, such as our student membership groups, more than 270 affiliate groups, alumni relations programs at all 24 colleges and campuses, and more than 300 alumni events across the country and around the world. We are all Penn State proud because of you! **Thank You.**
