

2014–15 Sustaining Life Member Program

We thank these members who made Sustaining Life gifts to the Penn State Alumni Association during the 2014–15 academic year.

The Sustaining Life Member program is a voluntary, annual giving program for members of the Alumni Association. Each year, thousands of members generously give to sustain our high-quality programs, such as our student membership groups, 315 affiliate groups, alumni relations programs at all 35 colleges and campuses, and more than 300 alumni events across the country and around the world. We are all Penn State proud because of you! **Thank You.**
